BREAKAWAY

Transaction Advisory Services

The first step toward a successful business sale

Breakaway Advising provides outsourced accounting, bookkeeping, fractional CFO, and advisory services to clients across the globe. Building on this foundation, Breakaway also delivers specialized M&A services by helping owners maximize valuation and prepare for a successful acquisition. Breakaway seamlessly collaborates with firms and instills confidence in owners that their business is fully prepared to go to market when the time comes. Through high-integrity advisory, Breakaway helps owners navigate the most significant business decision of their lives with confidence and care.

A former Investment Banking Representative, Matt Crabtree brings expertise centered around strategic advisory, valuation enhancement, deal navigation, marketing material preparation, due diligence support, and financial analysis. Having been involved in numerous M&A transactions totaling over $300MM in Enterprise Value, Matt knows firsthand what is needed for a successful M&A transaction.
